

Voted Best Parkland Course in Connacht  
2013 - 2015 - 2020 - 2022 - 2025

### CLUB COMPETITIONS

- Payment of competition fee and entry in computer prior to competition is mandatory for competitions.
- Competitors MUST key their score into the computer upon completion of their round - failure to do this may result in non-inclusion in handicap adjustments.
- It was agreed at AGM that members who have not paid the annual fees by March 31st will not be eligible to play golf on the course, including competitions, and will be deactivated from the booking system (BRS)
- It is important that members read the Notice Boards regularly to familiarise themselves with competition, handicap, local rules and social event information.
- Items of clothing or golf equipment left behind will be removed to storage. The club accepts no responsibility for loss or damage to such items.
- The competitor is solely responsible for the correctness of the score recorded for each hole. All cards should be marked and signed before entering the clubhouse. Competitors must return and are responsible for the return of their cards in all competitions. All scores must be entered on the computer.
- Golfers are reminded to adhere to the Club dress code.

### PRESENTATIONS

- Members/winners will be notified of times and dates of presentations, typically one presentation every two months.
- Out of courtesy to our generous sponsors, all prize winners are expected to attend presentation or nominate a representative.
- The Club will not accept responsibility for prizes lost or misplaced in the event of the winner not attending the presentation to collect his/her prize.
- Prizes must be collected inside the month or they will be recycled.
